PERSONAL STATEMENT

I am a Sculptor, Prop Maker, Fabricator and Creative with over 10 years of experience. I freelance for Fabrication companies, predominantly making animals for museums around the world as well as making bespoke creations, soft fabrication and props. I am based in the South West with a workshop in East London. I also work directly with Art Directors, Production Designers and Heads of Departments for Films & TV.

I am looking to join build crews on film productions as a Sculptor, Modeller and or Prop-Maker.

- I have a full clean driving licence and small van.
